We have added a new **student sponsorship through Word and Deed**. Phaydens Cange is a 6-year-old boy in Haiti attending the same school as Maude, our current sponsorship student. Here is an excerpt from Word and Deed: **The Life of a Child in Port-au-Prince:** Port-au-Prince is the capital of Haiti which shares the island of Hispaniola with the Dominican Republic. Port-au-Prince has become very overcrowded. Of the nine million people of Haiti, three to four million are living in Port-au-Prince.

The families being served through Adoration Christian Centre are located in some of the poorest communities of Port-au-Prince. Because of the catastrophic earthquake that hit Haiti on January 12, 2010, these target areas have been displaced, as many people from the Adoration school community lost their homes during the earthquake.

The majority of the families that are connected to Adoration Christian Centre do not own their land and are currently renting. This is the cause of much instability: every year when rent is due, it is not abnormal for these families to pack up and move somewhere else. This means that each year many students have to leave the Adoration program, as their new homes are often too far away to continue attending school.

Families connected to Adoration Christian Centre either live in a cement house or in a tent. Many of these families are still suffering and trying to pick up the pieces of their lives post-earthquake; it is a slow process of rebuilding their lives.

## NORTH STAR INITIATIVE

### We are counting our blessings from 2023!

- Moved into the Survivor Center
- Received bikes, swings, clothing, shoes, art supplies, books, blankets, body care and more for our survivors to use and enjoy
- Held our first Pickleball Tournament
- Spoke at over 75 churches, businesses, schools, & community groups
- Participated in many shared opportunities with other anti-trafficking organizations
- Served 14 women in the Harbor over the course of the year
- Ended the year full-funded and ready to launch new programs in 2024!

### A New Face and Extraordinary Skillset!

We are excited to introduce you to our new **Clinical Program Director, Celeste Hutchinson, MA, LPC, NCP, CCAPP.**

Celeste joins North Star's team with more than 23 years of experience in behavioral health roles. Celeste's dynamic and creative approach and experience in Trauma Enhanced Care practices make her the perfect leader for the clinical team.

As God orchestrated her perfectly timed arrival, Celeste was led back to Lancaster County to continue the work he had already begun in our residents' healing. She is most looking forward to connecting with staff and residents daily and building on the principle that God works from the inside out to transform lives. In her free time, she enjoys spending time in nature, writing poetry, singing, and meeting new people in new places all over the world.

## Welcome to the Battle on January 30!

This year our [panel](#) of anti-trafficking experts has more than 60 years of combined experience in the field. They will focus on recruiting strategies used by traffickers, explain what online exploitation looks like, and address the barriers that exist for someone who is trying to exit "the life". We are on our way to creating a community that is trafficking-proof! (Note the registration for this event has passed, but you can pray for the event.)

### I have three highlights from 2023 I am carrying into 2024:

- **I work alongside an incredible staff.** Serving this team of passionate, skilled women is a privilege, and I am honored to have a front row seat to observe their work.
- **Your generosity is overwhelming.** This community is determined to end trafficking and restore the lives of those who have been impacted. We met and *exceeded* the goal for 2023. Thank you! I'm excited to share more in the weeks to come about the programs we will launch in 2024 with your support!
- The day a resident said, "I never thought I'd have my own debit card," as she held it out for me to see is one I won't forget. It was **a living picture of what it means when we empower survivors to accomplish their goals and dreams.**

All this happened because of YOU. Because you gave, prayed, volunteered, encouraged, and participated, our community grew in awareness about trafficking, cared well for survivors, and continued the collaborations that will ultimately end trafficking.

**We believe 2024 will be a year of jubilee for North Star.** I trust it will be in your own lives as well.
